REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:
Applicant's arguments on page 16, first two paragraphs, have been found convincing. Specifically, the examiner has found applicant's argument that "the combination of Bennett with Sinderby would not teach adjusting a rate of application and a level of positive and negative pressures as a function of a detected neural inspiratory activation, within a system or method for delivering combined positive and negative pressure assist ventilation", since "the manual and mechanical adjustment structure taught by Bennett is designed for producing a positive pressure of constant level applied at a constant rate and is neither suitable nor adaptable for automatically adjusting a level and rate of application of such positive pressure in response to an EMG or other signal" to be convincing. Therefore, the rejections have been WITHDRAWN.
2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Oath/Declaration

3. The oath or declaration is defective. A new oath or declaration in compliance with 37 CFR 1.67(a) identifying this application by application number and filing date is required. See MPEP §§ 602.01 and 602.02.

The oath or declaration is defective because:
Non-initialed and/or non-dated alterations have been made to the oath or declaration. See 37 CFR 1.52(c).

4. The Declaration filed March 12, 2007 is defective because it has non-initialed and non-dated alterations to the "Country of Citizenship" and the "Date" adjacent to the signature of Christer SINDERBY. Thus, a new oath or declaration in compliance with 37 CFR 1.67(a) identifying this application by application number and filing date is required.

Conclusion

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to CLINTON OSTRUP whose telephone number is (571)272-5559. The examiner can normally be reached on Monday-Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Justine Yu can be reached on (571) 272-4835. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
